Dear Dr. Muhammad Obie,

Thank you for the submission of your paper to our journal. It will be assigned to a peer review.

We use a double-blind system for peer reviews. The paper will be peer-reviewed by at least two experts. The review process may take two to three weeks. We will inform you of our decision and the reviewers' comments as soon as possible.

(Optional) An initial review has made it clear that this submission is fit for our journal. And we encourage the author(s) to suggest 2 to 5 qualified reviewers, including their academic affiliations and e-mail addresses.

Thank you.

Dear Editor

Thank you very much for your acceptance to publish my manuscript in Environment and Natural Resources Research. I herewith send you the revision of the manuscript and the publication fee. I sent the publication fee via Paypal in two transfers, namely on 19 February 2019 amounts \$150 USD and on 20 February amounts \$150. That's because there are limits to the number of transfers every day. I wonder if you could confirm the payments as soon as possible.

Best regards

Muhammad Obie

Dear Dr. Muhammad Obie,

Thanks for the reply. The payment should be paid to the publisher's account, not to this journal's email. So I need to ask a colleague of financial department to check the payment for me. Please wait for 1 to 2 working days.

Dear Editor,

I sent the payment via Paypal to an account enrr@ccsenet.org. Is this account correct? I'm not sure because the status is still pending. Unless, please send me the correct publisher's paypal account. I will send it as soon as possible.

Best regards

Muhammad Obie

Dear Dr. Muhammad Obie,

Have you revoked the payment before (150USD*2)? If you need any help from our side, please feel free to contact me.

We are working on the layout and format of this paper. Please review your paper as attachment. If you find any questions, please give us feedback within one week. If we do not receive your response by that date, we will publish it based on the current version.

Please do not change the format and layout, which are designed for publishing. Most importantly, please check the language and errors. If you change something in Word file, please mark it in RED/highlighted, or make the changes in track changes mode.

Thank you very much.
