Passage 3

Read the following text and answer questions 11 to 15

At present, almost every family has television, especially those who live in big cities. Now, television is not one of luxurious things anymore because it is so common that almost every family has one.

Many people —old and young—spend their time watching television, since there are a lot of television programs we can enjoy. There are music, film, sport, news and many other programs we can choose as we wish. An interesting program makes us keep watching it, so that sometimes we forget what we should do. It can be a disturbance for us, but we still love to watch it.

Everything in this world leads to two sides; good and bad, and so does television. As one of the mass-media, television really brings many results. Of course, there are good results, and bad ones. The good results for us are that we get entertainment. It makes us happy, and it also gives information and knowledge.

On the other hand, television shows programs that are not suitable for our culture, custom and age. For example, the romantic and action films, that are shown at noon when children stay at home and watch them.

However, in some ways television is very useful to us. We can choose the programs in line our favourite programs. We however, should consider many aspects.

11. Now, television is not a Thing.
- Cheap
 - Important
 - Luxurious
 - Primary
 - Unimportant
12. “We, however should consider many aspects” (the last line)
- Care
 - Know
 - Learn
 - Think
 - Take
13. Who likes to watch television?
- All people
 - Old people
 - Special people
 - Young people
 - New people
14. The main idea of paragraph 2 is....
- Only young people like to watch TV
 - Sometimes TV programs disturb us
 - There are music, film, sport and news on TV
 - Television programs are interesting
 - Radio program
15. How should we watch the TV programs?
- As much we like

- b. Choose the bad one
- c. Choose the good one
- d. Choose the suitable one
- e. Choose the best one

Passage 4

Read the following text and answer questions 16 to 20

Many years ago, watching a view of events on a screen as well hearing its sound at the same time was a daydream. But now, television makes it true. Television presents events taking place in places thousands miles away in front of us.

Television makes the world narrower and long distances shorter. What happens at one moment in other parts of the world can be seen and heard at the same time. The great concert in London or the busiest hours of the New York Stock Exchange can be watched on the television screen. Television does not only inform us of the world situation but also gives us some new information on science, technology, art and sports; periodically it presents many kinds of entertainment programs such as plays, films, musical shows, jokes, games and many others.

The government uses television to inform the people, for example, of the family planning program, the reports of the local development, the domestic economic growth, taxation, tourism, public health and so on.

16. What does television make true?

- a. A view of events
- b. Day dream
